DEADLY

Is the Reconcentrado
System.

If Continued Would Soon Depop- ulate Boer Country.

Chicago, July 30.—"The horror of
the situation in the Boer reconcentra-
do camps of South Africa is appalling.
Men, women and children are dying
at a rate that would mean the exter-
mination of the Boer race in nine
years. The people are crowded up in
unsanitary quarters, where they are
unable to secure sufficient food or
clothing, with disease, making terrible
ravages among them."

This was the situation in the Trans-
vaal and Orange Free State depicted
last night at the Christian Reformed
church by Rev. Herman D. Van
Broekhuizen, late pastor of the lead-
ing Dutch Reformed church at Pre-
toria. He has come to the United
States to raise money to alleviate the
sufferings of his countrymen who are
huddled together in refugee camps.
It is the intention of Rev. Broekhuizen
to travel through the country,
speaking in churches of various denomi-
nations, and describing the real situa-
tion throughout South Africa. The
funds he is able to secure will be
sent direct to Pretoria.

Regarding the outcome of the strug-
gle, Rev. Broekhuizen is still opti-
mistic. He believes that the Boers
will continue fighting until they even-
tually tire out Great Britain.

It is easier to keep well than get
cured. DeWitt's Little Early Risers
taken now and then, will always keep
your bowels in perfect order. They
never gripe but promote an easy, gentle
action.

Killed by Electric Shock.

Zanesville, O., July 30.—Fred Petty
was instantly killed last evening by
an electric shock from a street lamp.
The arc light near his home went out
and Petty, thinking to remedy the trou-
ble, lowered the light. In working at
the lamp he made a short circuit con-
nection and received the full current.
He dropped in his tracks and was dead
when reached. He leaves a widow.

She Didn't Wear a Mask.

But her beauty was completely hid-
den by sores, blotches, and pimples till
she used Bucklen's Arnica Salve. Then
they vanished as will all eruptions, fe-
ver sores, boils, ulcers, carbuncles, and
feloons from its use. Infallible for
cure, corns, burns, scalds and piles.
Cure guaranteed. 25c at all druggists.

ADVICE

To Ohio Farmers

On the Destruction of Chinch Bugs.

The Ohio Experiment Station Is- sues a Bulletin.

The Ohio Experiment Station is re-
ceiving letters indicating an extensive
outbreak of chinch bugs in certain parts
of the state, and in response it is
sending out small packages of fungus
culture in the hope that it may be of
service in infecting the bugs with a
parasitic fungus, which, under favora-
ble conditions, has been found to be
very destructive to these pests.

This fungus, however, requires moist
weather and masses of insects for suc-
cessful operation, and it is feared that
it may not act with sufficient prompt-
ness during the prevailing dry weather.
The following remedy is therefore
offered as probably better adapted to
existing conditions, this remedy hav-
ing been suggested in 1895 by Prof.
S. A. Forbes, State Entomologist, of
Illinois:

"Dissolve one-half pound hard or
soft soap in one gallon of water, and
heat to the boiling point. Remove
from stove and add two gallons of coal
oil, churning the mixture with a good
force pump for 15 minutes. When the
emulsion is formed, it will look like
buttermilk."

To each quart of this emulsion, add
15 quarts of water, and apply to the
corn in a spray—preferably before 10
a. m. or after 3 p. m. The bugs should
be washed off so that they will float in
the emulsion at the base of the plant.
A teaspoonful to a hill is generally suf-
ficient, but the quantity must vary
with the number of bugs infesting the
corn."

The progress of these bugs though a
field may be obstructed by making a
shallow V-shaped trench with the cor-
ner of a hoe and filling it with coal
tar, the tar to be renewed in two or
three days. They may also be destroy-
ed by plowing them under and har-
rowing and rolling. These two meth-
ods were successfully employed by the
Ohio station in 1888.

CHAS. E. THORNE,
Director.

There is more Catarrh in this section of
the country than all other diseases put to-
gether, and until the last few years was sup-
posed to be incurable. For a great many
years doctors pronounced it a local disease,
and prescribed local remedies, and by con-
stantly failing to cure with local treatment,
pronounced it incurable. Science has
proven catarrh to be a constitutional dis-
ease, and therefore requires constitutional
treatment. Hall's Catarrh Cure, manufac-
tured by F. J. Cheney & Co., Toledo, Ohio, is
the only constitutional cure on the market.
It is taken internally in doses from 10 drops
to a teaspoonful. It acts directly on the
blood and mucous surfaces of the system.
They offer one hundred dollars for any case
it fails to cure. Send for circulars and tes-
timonials.

RICH MISER

Was Caught Stealing His Neigh-
bor's Corn.

Bowling Green, O., July 30.—Wil-
lam Bailey, a wealthy farmer living
near here, and owning 100 acres of
good land with several good oil wells,
was arrested charged with stealing
corn from a neighbor's crib. Eugene
Sly, into whose crib Bailey had broken,
has been missing corn and other grain
for some time. So his hired man fixed
a trap for the burglar, and Sunday
night they landed Bailey. Bailey,
when caught, protested that he was
only borrowing the corn for a horse
which had been taken sick in the
night. Bailey is known as a miser, but
was a prominent man in this vicinity.
As Bailey is charged with breaking in-
to the crib, his offense, if proved, may
land him in the penitentiary.

White Man Turned Yellow.

Great consternation was felt by the
friends of M. A. Hogarty, of Lexington,
Ky., when they saw he was turning
yellow. His skin slowly changed color,
also his eyes, and he suffered terribly.
His malady was yellow jaundice. He
was treated by the best doctors, but
without benefit. Then he was advised
to try Electric Bitters, the wonderful
stomach and liver remedy, and he
wrote: "After taking two bottles I
was wholly cured. A trial proves its
matchless merit for all stomach, liver
and kidney troubles. Only 50c. Sold
by all druggists."

NO CHANGE

In the Personnel of County
Election's Board.

The County Board of Deputy Super-
visors of elections will meet in a short
time for organization. There will be
no change in the personnel of the
Board this year, Messrs. E. H. Bishop
of Akron, and R. C. Ellsworth, of Rich-
field having just been appointed.
